# FOREWORD

The SRC P&DD GB has endeavored to publish “GB at a Glance” since 2013, and its 5th in series for year 2022. This booklet is based on latest secondary data pertaining to socio-economic sectors. SRC P&DD is also publishing Gilgit Baltistan Development Statistics containing detailed information on socio-economic status.

Hopefully such regular data dissemination activities would be an informative and reference source.

I would like to appreciate the teamwork put in by the staff of Statistical & Research Cell P&DD in bringing out this booklet and the cooperation extended by the line departments for provision of data.

For more in-depth statistical information on Gilgit Baltistan, readers are invited to pursue the Gilgit Baltistan Development Statistics.
